### 3. Administration of the Plan

- (a) the authority to grant Share Unit Awards;
- (b) to determine the Fair Market Value of the Common Shares on any date;
- (c) to determine the Eligible Persons to whom, and the time or times at which, Share Unit Awards shall be granted;
- (d) to determine the number of Common Shares to be referenced by each Share Unit Award including the calculations in respect of notional Dividends accrued and payable thereon;
- (e) to determine the Payment Date with respect to any Share Unit Award;
- (f) to determine all matters relating to the determination of the Payout Multiplier to be applied to any grant of PSU Awards from time to time;
- (g) to establish policies and to adopt rules and regulations for carrying out the purposes, provisions and administration of the Plan;

- (h) to interpret and construe the Plan and to determine all questions arising out of the Plan and any Share Unit Award granted pursuant to the Plan (and any such interpretation, construction or determination made by the Board shall be final, binding and conclusive for all purposes on the Company and the Grantee);
- (i) to determine and prescribe the terms and provisions of Share Unit Award Agreements (which need not be identical) entered into in connection with Share Unit Awards and the form of documents or processes in respect of the payment of Share Unit Awards; and
- (j) to make all other determinations deemed necessary or advisable for the administration of the Plan.

The Board may delegate to the Committee such administrative duties relating to the Plan as the Board may deem advisable, and where so delegated, any reference to the Board in the Plan shall be deemed to be a reference to the Committee.

For greater certainty and without limiting the discretion conferred on the Board pursuant to this Section 3, the Board's decision to approve the grant of a Share Unit Award to an Eligible Person in any period shall not require the Board to approve the grant of a Share Unit Award to any Eligible Person in any other period; nor shall the Board's decision with respect to the size or terms and conditions of a Share Unit Award in any period require it to approve the grant of a Share Unit Award of the same or similar size or with the same or similar terms and conditions to any Eligible Person in any other period. The Board shall not be precluded from approving the grant of a Share Unit Award to any Eligible Person solely because such Eligible Person may previously have been granted a Share Unit Award under the Plan or any other similar compensation arrangement of the Company.

#### **4. Eligibility and Award Determination**

Share Unit Awards may be granted only to Eligible Persons as the Board may determine, provided that no Eligible Person has any claim or right to be granted a Share Unit Award. In determining the Eligible Persons to whom Share Unit Awards may be granted and the number of Share Unit Awards granted to any Eligible Person, the Board may take into account such factors as it shall determine in its sole and absolute discretion. Participation in the Plan by Eligible Persons is voluntary.

#### **5. Plan Maximum**

The aggregate number of Common Shares notionally represented by Share Unit Awards granted under the Plan, subject to adjustment or increase of such number pursuant to the provisions of Section 6(e), shall not exceed 2% of the number of issued and outstanding Common Shares (on a non diluted basis) at the relevant time, less the aggregate number of Common Shares reserved for issuance under any Security Based Compensation Arrangement. Provided that such maximum number of Common Shares is not exceeded, following the payment, expiration, cancellation or other termination of any Share Unit Awards under the Plan, Share Unit Awards equal to the number of Common Shares notionally represented by Share Unit Awards or rights so paid, expired, cancelled or terminated shall automatically become available for grant under the Plan.

#### **6. Terms and Conditions of Share Unit Awards**

Each Share Unit Award granted under the Plan shall be subject to the terms and conditions of the Plan and evidenced by a Share Unit Award Agreement and the following terms and conditions (and such other terms and conditions as the Board, in its discretion, shall establish):

- (a) **Number and Type of Share Unit Awards** - The Board shall determine the number of Share Unit Awards to be awarded to a Grantee and shall designate such award as either an "RSU Award" or a "PSU Award", as applicable, in the Share Unit Award Agreement relating thereto.
- (b) **Vesting and Payment Dates and Adjustment of Share Unit Awards**
- (i) RSU Awards - Subject to the remainder of this Section 6 and unless otherwise determined by the Board, the RSU Vesting Date for a particular RSU Award shall be the third anniversary of the date of grant of such RSU Award. Immediately prior to the RSU Vesting Date for a particular RSU Award, the number of Common Shares notionally represented by such RSU Award shall be adjusted by multiplying such number by the Adjustment Ratio applicable to such RSU Award. Payment for a vested RSU Award shall be made by the Company to the Grantee on the corresponding RSU Payment Date in accordance with Section 6(c) hereof.
- (ii) PSU Awards - Subject to the remainder of this Section 6 and unless otherwise determined by the Board, a particular PSU Award shall be deemed to be vested immediately following completion of the Performance Period applicable to such PSU Award. Additionally, following the completion of the applicable Performance Period, the number of Common Shares notionally represented by such PSU Award shall be adjusted by multiplying such number by (A) the Adjustment Ratio applicable in respect of such PSU Award, and (B) the Payout Multiplier determined by the Board, in its sole and absolute discretion, to be applicable to such PSU Award. Payment for a vested PSU Award shall be made by the Company to the Grantee on the corresponding PSU Payment Date in accordance with Section 6(c) hereof.
- (iii) Final Payment Date – Notwithstanding any other provisions of the Plan, for greater certainty, no term or condition of a grant of Share Unit Awards hereunder or any Share Unit Award Agreement may have the effect of causing the payment pursuant to any RSU Award or PSU Award under the Plan to a Grantee in satisfaction of such Grantee's RSU Awards or PSU Awards under the Plan (or any portion thereof) to occur after December 31 in the third (3rd) calendar year following the calendar year in respect of which such Share Unit Awards were granted (the "**Outside Date**").
- (c) **Payment for Vested Share Unit Awards** – Unless the Company and the Grantee agree otherwise, the Company shall satisfy all amounts owing or payable to a Grantee in respect a Share Unit Award that has vested and become payable pursuant to the Plan by paying to the Grantee, on the applicable Payment Date, an amount in cash equal to the Fair Market Value of the Common Shares underlying such Share Unit Awards, as adjusted in accordance with the relevant provisions set forth in Section 6(b) (the "**Settlement Amount**"), in consideration for the surrender by the Grantee to the Company of such vested Share Unit Awards. On the applicable Payment Date, the Company shall cause a cash payment to be made to the Grantee (or as the Grantee may direct) in the Settlement Amount and such Share Unit Awards in respect of which such payment has been made shall be cancelled.

The Company shall be entitled to withhold from the Settlement Amount all amounts as may be required by law and in the manner contemplated by Section 7.

Notwithstanding any of the foregoing, if the RSU Vesting Date, the date of completion of the Performance Period applicable to a PSU Award, or the resulting Payment Date occurs during a Blackout Period applicable to the relevant Grantee, or within 10 Business Days after the expiry of a Blackout Period applicable to the relevant Grantee, then the Payment Date shall not occur until the date that is the tenth Business Day after the expiry of the Blackout Period, provided that such Payment Date may not be later than the Outside Date.

(d) **Termination of Employment of an Eligible Person** - Unless otherwise determined by the Board, or unless otherwise provided in a Share Unit Award Agreement pertaining to a particular Share Unit Award or any Employment Agreement governing a Grantee's role as an Eligible Person, the following provisions shall apply in the event that a Grantee ceases to be an Eligible Person:

- (i) Termination Without Just Cause - If a Grantee ceases to be an Eligible Person as a result of such Grantee's employment with the Company being terminated by the Company without Just Cause, including unlawful termination which includes breach of the implied term to provide reasonable notice, wrongful dismissal and constructive dismissal, the Grantee shall only be entitled to payments in respect of Share Unit Awards for which the RSU Vesting Date or completion of the particular Performance Period, as applicable, occurs on or prior to the Termination Date of such Grantee's employment with the Company, and payment for such Share Unit Awards shall be made in accordance with Section 6(b) of the Plan. All Share Unit Awards held by such Grantee for which payment is not to be made as set forth in this Section 6(d)(i), and all Share Unit Award Agreements under which such outstanding Share Unit Awards have been made to such Grantee, shall be, and shall be deemed to be, immediately terminated and all rights to receive payment thereunder shall be, and shall be deemed to be, forfeited by the Grantee. The Grantee shall have no entitlement under the common law, statute, equity or contract to these forfeited payments or to damages for loss of these payments even if the Company unlawfully terminated the Grantee's employment.
- (ii) Retirement or Death - If a Grantee ceases to be an Eligible Person because of such Grantee's Retirement or death, the Company shall make a cash payment to the Grantee or his or her personal or legal representative in respect of all outstanding Share Unit Awards held by such Grantee as at the date of death or Termination Date, as applicable, equal to the target amount of any such Share Unit Award at the date of grant, as determined by the Board at such date in its sole discretion, which payment shall be made to the Grantee or his or her personal or legal representative within sixty (60) days of the Grantee's death or Termination Date, as applicable, or such other date as may be agreed to by the Company and the Grantee or his or her personal or legal representative.
- (iii) Other Termination - If a Grantee ceases to be an Eligible Person for any reason other than as set forth in Sections 6(d)(i) or (ii), (including, for greater clarity, as a result of voluntary resignation or termination for Just Cause), all Share Unit Awards held by such Grantee, and all Share Unit Award Agreements under which such outstanding Share Unit Awards have been made to such Grantee, shall be, and shall be deemed to be, immediately terminated as of the Termination Date and all rights to receive payment thereunder shall be, and shall be deemed to be, forfeited by the Grantee. The Grantee shall have

no entitlement under the common law, statute, equity or contract to these forfeited payments or to damages for loss of these payments.

(iv) Employment with Affiliates. A transfer of employment or services between the Company and a subsidiary or affiliate of the Company or between subsidiaries or affiliates of the Company shall not be considered an interruption or termination of the employment of a Grantee by the Company for any purpose of the Plan.

(e) **Business Combinations and Certain Adjustments** - Subject to Section 6(f), if, during the term of an outstanding Share Unit Award, the Company shall complete any merger, amalgamation, arrangement, business combination or sale of all or substantially all of its assets, be the subject of a take-over bid (as defined in the *Securities Act* (Alberta)) or participate in any similar transaction (any of the foregoing referred to as a "**Transaction**"), and as a result of such Transaction the holders of Common Shares receive securities of another issuer (the "**Continuing Entity**") in full substitution or replacement for the Common Shares ("**Replacement Securities**"), the Company (including the Continuing Entity as successor thereof) will make provision such that all outstanding Share Unit Awards shall remain outstanding and continue in effect following the effective date of such Transaction, with appropriate adjustments made as required, including without limitation to (i) the number of Replacement Securities notionally underlying the RSU Awards and PSU Awards held by each Grantee, and (ii) the Dividends paid on the Common Shares (as replaced by the Replacement Securities) during the term of such Share Unit Awards, in each case to appropriately account for and provide economic equivalence based on the exchange ratio of Replacement Securities issued for Common Shares pursuant to the Transaction. Furthermore, unless otherwise agreed to by the Board prior to the completion of any Transaction, the Payout Multiplier applicable to any PSU Awards that continue in effect following completion of a Transaction pursuant to this Section 6(e) shall not be less than 1.0, and following completion of such Transaction such minimum Payout Multiplier of 1.0 shall not be decreased by any Board resolution, determination or discretion (including pursuant to Section 6(g) hereof) or any other action by the Continuing Entity.

Prior to or contemporaneously with the consummation of such Transaction, the Company and the Continuing Entity shall execute such instruments and do such things as are necessary to establish that upon the consummation of such Transaction the Continuing Entity will have assumed all the covenants and obligations of the Company under the Plan, the Share Unit Award Agreements and the Share Unit Awards outstanding on consummation of such Transaction in a manner that substantially preserves and does not impair the rights of the Grantees thereunder in any material respect (including the right to receive Replacement Securities or other cash or property of the Continuing Entity in lieu of Common Shares upon the subsequent vesting of Share Unit Awards).

(f) **Acceleration of Payment for Certain Transactions** - Notwithstanding Section 6(e), in the event that:

(i) the Continuing Entity does not (or, upon the occurrence of the Transaction, will not) substitute or replace, or the nature of the Transaction does not provide for

the full substitution or replacement of, the Common Shares with Replacement Securities on the same terms as described in Section 6(e);

- (ii) the Board determines, acting reasonably, that such substitution or replacement is not practicable or impairs or does not substantially preserve the rights of the holders of Share Unit Awards;
- (iii) the Board determines, acting reasonably, that such substitution or replacement would give rise to adverse tax results to holders of Share Unit Awards; or
- (iv) the Replacement Securities are not (or, upon the occurrence of the Transaction, will not be) listed and posted for trading on a recognizable stock exchange;

then the Grantee shall receive a cash payment in respect of all outstanding Share Unit Awards in respect of which payment has not yet been made (whether or not otherwise vested or payable), conditional upon the Transaction being completed, immediately prior to the effective time of the Transaction.

For the purposes of this Section 6(f), the cash amount to be paid for outstanding and unpaid:

- (A) PSU Awards shall be calculated in accordance with Section 6(b)(ii) on the basis that each uncompleted Performance Period shall be deemed to have consisted of the time elapsed from the start of the particular Performance Period to and including the effective date of the Transaction, notwithstanding any prior designation of that Performance Period and taking into account Dividends declared by the Company from the applicable date of grant up to the effective date of the Transaction; and
- (B) RSU Awards shall be calculated in accordance with Section 6(b)(i) taking into account Dividends declared by the Company from the applicable date of grant up to the effective date of the Transaction,

and in each case the amount of the cash payment to be made to a Grantee shall be calculated based on the Fair Market Value of the Common Shares on the effective date of the Transaction (or such other date(s) as the Company, acting reasonably, determines is practicable) and shall be paid concurrent with, but conditional upon, the completion of the applicable Transaction, or as soon as practicably but in any event within ten (10) Business Days thereafter.

- (g) **Board Discretion** - Notwithstanding anything else in the Plan but except as provided in Section 6(e), the Board may, in its sole discretion, but subject to the limits described in Section 10 hereof and any other applicable requirements of the TSX or other regulatory authority:
  - (i) make any adjustments to the Payout Multiplier in respect of a PSU Award if, in the sole discretion of the Board, such adjustments are appropriate in the circumstances having regard to the principal purposes of the Plan;

- (ii) change any RSU Vesting Date, RSU Payment Date or PSU Payment Date (including changing the Performance Period related thereto) for all or any Share Unit Awards at any time and from time to time; and
- (iii) otherwise amend or modify the terms and conditions regarding any grant of Share Unit Awards or payments in respect of any Share Unit Awards hereunder,

provided, however, that none of the foregoing may, without the consent of the affected Grantee, impair or adversely affect a Share Unit Award granted to the Grantee under the Plan prior to the date of such amendment or modification.

(h) ***Effect of Certain Changes*** - In the event:

- (i) of any change in the Common Shares through subdivision, consolidation, reclassification, recapitalization or similar transaction; or
- (ii) that any rights are granted to Shareholders to purchase Common Shares at prices substantially below fair market value,

and such events do not constitute a Transaction for the purposes of Section 6(e), then, in any such case, the Board may make such adjustments to the Plan, to any Share Unit Awards and to any Share Unit Award Agreements outstanding under the Plan as the Board may, in its sole discretion, consider appropriate in the circumstances to prevent dilution or enlargement of the rights granted to Grantees hereunder.

## **7. Withholding Taxes**

When a Grantee or other person becomes entitled to receive any Settlement Amount in respect of any Share Unit Award, the Company shall have the right to require the Grantee or such other person to remit to the Company an amount sufficient to satisfy any withholding tax requirements relating thereto. Unless otherwise prohibited by the Board or by applicable law, satisfaction of the withholding tax obligation may be accomplished by any of the following methods or by a combination of such methods:

- (a) the tendering by the Grantee of a cash payment to the Company in an amount equal to the total withholding tax obligation;
- (b) the withholding by the Company from any cash payment otherwise due to the Grantee of such amount of cash as is equal to the amount of the total withholding tax obligation; or
- (c) any other method determined by the Company in its sole discretion, acting reasonably,

provided, however, that the sum of any cash so paid or withheld is sufficient, in the reasonable estimation of the Company, to satisfy the total withholding tax obligation.

## **8. U.S. Tax Considerations.**

The terms of the Plan and the Share Unit Awards granted hereunder to Grantees subject to taxation under the United States Internal Revenue Code of 1986, as amended, shall be determined by taking into consideration, and shall be subject to, the Special Appendix to the Plan setting forth special provisions applicable to such persons.

## **9. Non-Transferability**

Subject to Section 6(d)(ii) in the case of the death of a Grantee, the right to receive Common Shares pursuant to a Share Unit Award granted to a Grantee is personal to such Grantee and is non-transferable and non-assignable. Except as otherwise provided in the Plan, no assignment, sale, transfer, pledge or charge of a Share Unit Award, whether voluntary, involuntary, by operation of law or otherwise, vests any interest or right in such Share Unit Award whatsoever in any assignee or transferee and, immediately upon any assignment, sale, transfer, pledge or charge or attempt to assign, sell, transfer, pledge or charge, such Share Unit Award shall terminate and be of no further force or effect.

## **10. Amendment and Termination of Plan**

- (a) Subject to Section 10(b), the Board may, at any time and from time to time, without the approval of the Shareholders or any other voting securities of the Company, suspend, discontinue or amend the Plan or a Share Unit Award made thereunder.
- (b) Notwithstanding Section 10(a), unless a holder of Share Unit Awards otherwise agrees, the Board may not suspend, discontinue or amend the Plan or amend any outstanding Share Unit Award in a manner that would adversely alter or impair any Share Unit Award previously granted to Grantee under the Plan, and any such suspension, discontinuance or amendment of the Plan or amendment to a Share Unit Award shall apply only in respect of Share Unit Awards granted on or after the date of such suspension, discontinuance or amendment. For greater certainty, the exercise by the Board of any discretion provided for in the Plan, including pursuant to Section 6(g) hereof, will not be considered to be an amendment to the Plan or a Share Unit Award. No suspension, discontinuance or amendment of the Plan or amendment of a Share Unit Award may contravene the requirements of the Exchange or any securities commission or regulatory body to which the Plan, the Share Unit Award or the Company is now or may hereafter be subject.

## **11. Accounts and Statements**

The Company shall maintain records of the details of each Share Unit Award granted to each Grantee under the Plan. Upon request therefor from a Grantee and at such other times as the Company shall determine, the Company shall furnish the Grantee with a statement setting forth details of his or her Share Unit Awards.

## **12. Notices**

  - (i) delivering it personally to the Grantee or the person claiming or deriving rights to the Grantees, as the case may be; or

**2. Compliance with Section 409A**

- 2.1 **In General.** Notwithstanding any provision of the Plan to the contrary, including any Board determination made pursuant to Section 6(g), it is intended that with respect to any US Grantee, such US Grantee's participation in the Plan shall be exempt from Section 409A or compliant in a manner which does not subject the US Grantee's interests in the Plan to accelerated or additional tax under Section 409A (and shall be construed and interpreted in such manner). If any grant to a US Grantee or payment hereunder could cause the application of accelerated or additional tax under Section 409A, such grant or payment shall be deferred if and to the extent deferral will make such grant or payment compliant with Section 409A; otherwise such grant or payment shall be restructured, to the extent possible, in a manner determined by the Board that does not cause such an accelerated or additional tax. For purposes of Section 409A, each payment or amount due under the Plan shall be considered a separate payment, and for US Grantees, a "Termination Date" under the Plan is the date a US Grantee incurs a Separation from Service as defined above. Each US Grantee is solely responsible and liable for the satisfaction of all taxes and penalties that may be imposed on or for the account of such US Grantee in connection with the Plan (including any taxes and penalties under Section 409A), and neither the Company nor any of its affiliates shall have any obligation to indemnify or otherwise hold such US Grantee (or any beneficiary) harmless from any or all of such taxes or penalties.
- 2.2 **Distributions to Specified Employees.** Except for Share Unit Awards which are distributable upon the death or Section 409A Disability of any Grantee pursuant to Section 6(d) or which

are considered to be "short-term deferrals" pursuant United States Treasury Regulations §1.409A-1(b)(4) issued with respect to Section 409A, Share Unit Awards which become distributable under Section 6(d) on account of a Separation from Service of a US Grantee who is determined to be a Specified Employee shall not be actually paid until 6 months after the Specified Employee's Separation from Service (or, if earlier, the date of death or Section 409A Disability of the Specified Employee).

2.3 **Transaction Payments.** Notwithstanding anything stated in Section 6(f) and with respect to a US Grantee, for the purposes of Section 6(f) a Transaction shall not be deemed to occur unless it is a "change in the ownership or effective control of the Company, or in the ownership of a substantial portion of the assets of the Company" as set forth in Section 409A(a)(2)(A)(v) of the Code.

2.4 **Payments in General.** Notwithstanding anything to the contrary under the Plan or otherwise, the US Grantees shall not have a right to designate the taxable year of any payment under the Plan. Notwithstanding anything to the contrary under the Plan or otherwise including Section 6(c) of the Plan, if the RSU Vesting Date, the date of completion of the Performance Period applicable to a PSU Award, or the resulting Payment Date occurs during a Blackout Period, or within 10 Business Days after the expiration of a Blackout Period, then the Payment Date shall not occur until the tenth Business Day after the expiration of the Blackout Period, provided that such Payment Date may not be later than two and half months following the end of the fiscal year in which the RSU Vesting Date or the date of completion of the Performance Period, as applicable, occurs.

3. **Retirement; Death and Disability.** Notwithstanding anything stated in Section 6(d)(ii) with respect to a US Grantee, (i) no Unit Award shall be granted to a US Grantee that is or will become eligible for Retirement while such Unit Award is outstanding, unless it is determined that such grant shall be exempt from or compliant with Section 409A and (ii) payment to a US Grantee upon death or disability shall be made within 60 days after the date of such death or disability (provided that such disability must be a Section 409A Disability).

4. **Amendment of Appendix**

The Board shall retain the power and authority to amend or modify this Appendix to the extent the Board in its sole discretion deems necessary or advisable to comply with any guidance issued under Section 409A. Such amendments may be made without approval of the shareholders of the Company or the approval of any individual Grantee.
